### CONTENT

Korny is new to preschool and joins the Blue Polka Dot group. There are so many wonderful things to play with, and Korny makes new friends there too. Kati, for example, who is always helpful, or Paul, who is very clever. Only Eugene is sometimes mean. But then Bella, the teacher, gets involved and helps resolve the tension.

Korny especially enjoys gymnastics. Paul takes a tumble while jumping, and everyone gets nervous. Paul has hurt himself, but fortunately it isn't serious. And soon Korny turns his attention to the next game with his preschool friends: scooter taxi!
