ABOUT THE SERIES

ministeps are made especially for very young children gaining their first experiences with books and toys. The products in the ministeps® program are uniquely designed to correspond to the physical, mental and emotional abilities of babies and very young children, ranging in age from infants to 36 months.

CONTENT

The boat is floating on the lake, the fire brigade is racing to the site of an accident and the digger is working at the construction site. But where does the tractor go? In this play book, every favourite vehicle has its place. Exciting tactile elements provide even more fun when inserting the jigsaw pieces: a cheerful flag is flying on the boat and the fire truck has a shimmering blue light.

THE AUTHOR

Sandra Grimm began her career as an editor and is now a freelance author. Her background as a certified teacher offers a sound basis for her books for children and teenagers. She has three young children with whom she can test all her fun ideas.

THE ILLUSTRATOR

Monika Neubacher-Fesser was born in 1959. After studying graphic and design in Kassel she worked for an advertising agency in Hannover. Since the birth of her first child in 1988 she has been working as a free lance illustrator. She also writes books on the subjects of silk painting and hobby and crafts. Monika Neubacher-Fesser lives with her husband and two children in Hannover.
