#### ABOUT THE SERIES

ministeps are made especially for very young children gaining their first experiences with books and toys. The products in the ministeps® program are uniquely designed to correspond to the physical, mental and emotional abilities of babies and very young children, ranging in age from infants to 36 months.

#### CONTENT

What's your favourite fruit? Which animals do you know already? What are you going to wear today? This big dictionary depicts everything that is important and exciting to young children. Exploring the colourful pages playfully expands their vocabulary. More complex topics like the seasons, colors, festivities, letters and numbers make this book a great companion all the way into kindergarten age.

#### THE AUTHOR

Hannelore Dierks has been a teacher in children's homes and worked in children's and teen's psychiatry as well as heading a preschool and day care center for many years. The author is the mother of five grown children.

#### THE ILLUSTRATOR

Monika Neubacher-Fesser was born in 1959. After studying graphic and design in Kassel she worked for an advertising agency in Hannover. Since the birth of her first child in 1988 she has been working as a free lance illustrator. She also writes books on the subjects of silk painting and hobby and crafts. Monika Neubacher-Fesser lives with her husband and two children in Hannover.
