ABOUT THE SERIES

ministeps are made especially for very young children gaining their first experiences with books and toys. The products in the ministeps® program are uniquely designed to correspond to the physical, mental and emotional abilities of babies and very young children, ranging in age from infants to 36 months.

CONTENT

Together with the curious kitten, little vehicle fans go exploring the city and encounter a variety of vehicles: The garbage truck is picking up the bins, the police car is attending the scene of an accident and the digger is building a new playground. But where's the little kitten hiding this time? Large flaps invite children to look, search and find.

THE AUTHOR

Kathrin Orso spent her childhood in Landshut, Bavaria. Inspired by the books by Enid Blyton her big dream was to found a detective gang. Since this dream didn't come true, she started writing down her own adventure stories. In 2018 she became a freelance writer. In addition to youth novels and reading stories she writes lyrics for children's songs, picture books and comics.
