Age	12 months and older

Innovative concept for the little ones: dictionary and story book in one

Promotes language development step by step: from naming and first short sentences all the way to storytelling

Various scenes depict everyday life at the kindergarten

### ABOUT THE SERIES

ministeps are made especially for very young children gaining their first experiences with books and toys. The products in the ministeps® program are uniquely designed to correspond to the physical, mental and emotional abilities of babies and very young children, ranging in age from infants to 36 months.

### CONTENT

This unique dictionary promotes young children's language development step by step. In addition to individual words, first sentences and brief stories, a variety of topics and detailed images offer many opportunities to look, name and speak along, allowing this book to grow along with children's language abilities and to remain interesting for a long time to come.

### THE AUTHOR

Sandra Grimm began her career as an editor and is now a freelance author. Her background as a certified teacher offers a sound basis for her books for children and teenagers. She has three young children with whom she can test all her fun ideas.
