- Activity book featuring versatile play effects
- Contains all the important basics such as numbers, colors and opposites
- Sliders, dials and flaps promote fine motor skills

#### ABOUT THE SERIES

ministeps are made especially for very young children gaining their first experiences with books and toys. The products in the ministeps® program are uniquely designed to correspond to the physical, mental and emotional abilities of babies and very young children, ranging in age from infants to 36 months.

#### CONTENT

How many animals are hiding in the image? Which shapes can you discover at the playground? In this book, children encounter colors, forms, opposites, numbers and much more. Each page features various play effects that allow young children to experience these topics in an age-appropriate way.

#### THE AUTHOR

Sandra Grimm began her career as an editor and is now a freelance author. Her background as a certified teacher offers a sound basis for her books for children and teenagers. She has three young children with whom she can test all her fun ideas.
