ABOUT THE SERIES

The Paws Brigade – that's Leni, Harry, Max and Paula, and don't forget their dogs, the sweet golden retriever Lotta, the stubborn beagle Socks, the clever border collie Kiwi, and of course the crazy one of the bunch, the Jack Russell terrier Mogli. The four children experience the most amazing adventures with their four-legged friends.

CONTENT

Leni, Harry, Max and Paula are deeply unhappy. Their new teacher, Mrs. Raven, is incredibly strict. She can't stand dogs, and her obnoxious boyfriend is hiding something... The friends immediately decide to figure out what is going on, and it's a good thing their four dogs never let them down, because a whole litter of sweet puppies urgently needs the Paws Brigade's help.

THE AUTHOR

Usch Luhn grew up in Austria. She studied communication studies in Berlin, trained as a screenwriter and film dramaturge, and has many years experience working in radio and children's television. The author has written more than 30 books, many of which have been translated into other languages.

THE ILLUSTRATOR

Carola Sieverding was born in 1989 and studied design and illustration. She has been a freelance children's book illustrator ever since. When she isn't sitting at her drawing table or at the computer, she is most often out and about with her little dog, which also occasionally posed for the drawings in the "Pfotenbande" books (of course there were always treats afterwards!). She lives and works in western Germany.
