Lovely series with a new concept

The combination of photographs and illustrations offers many details to explore

On-trend topic Nature

CONTENT

These first stories to read aloud take parents and children along on fun trips to the forest and the farm.

The combination of photographs and cheerful color illustrations makes for a very special picture book experience. Numerous small images hiding in the photographs spark a spirit of discovery and offer many occasions for conversations, inspiring children to explore nature/farms – in these books as much as in real life.

THE AUTHOR

Sandra Grimm began her career as an editor and is now a freelance author. Her background as a certified teacher offers a sound basis for her books for children and teenagers. She has three young children with whom she can test all her fun ideas.

THE ILLUSTRATOR

Katja Senner studied communications and has worked as an independent illustrator since her graduation. Her illustrations have been published in numerous books by a number of publishers. She loves painting and extensive walks through the woods.
