CONTENT

Whether it's at home, at the Christmas market or out in the snowed-in garden – detailed images prepare young children for the best time of the year. There's much to discover – and to hear!

THE AUTHOR

Frauke Nahrgang was born in 1951 in Stadtallendorf, where she lives today with her husband and two children. She has been working as a primary school teacher since 1976 and enjoys teaching school beginners most of all. At school she began to write texts for beginners, and she has been writing children's books since 1987. Frauke Nahrgang watches children very carefully and is interested in how they make contact, talk and communicate with each other. She transfers these observations strikingly into the stories in her picture books.

THE ILLUSTRATOR

Christian and Fabian Jeremies were born in Kassel, Germany, on August 30, 1979. Both of them studied at the Technical College of Design in Fulda and then earned degrees as children's book illustrators at the Technical College of Design in Münster.

The twins have different drawing styles. One prefers a realistic approach and draws crazy caricatures, while the other generates sweet drawings with a tendency to the bizarre, so before they begin each book project they figure out who will do what. They complement each other perfectly! Today the two are freelance children's book illustrators and authors. They live with their cat and dog in Münster and the Ruhr area of Germany.
