### CONTENT

This very first vehicle play book depicts the little ones' favourites vehicles in operation, such as the digger, the tractor, the fire truck and many others. Who called the ambulance? What does the combine harvester need to keep going? Sturdy sliders on each page reveal the answers. The thick cardboard pages are robust, offering long-lasting fun for children 18 months and over as they pull the sliders and guess and explore the answers.

### THE ILLUSTRATOR

Catharina Westphal was born in 1971 in the Netherlands, but grew up in Germany. She studied graphic design with a focus on illustration. Since 1998 she has been a freelance illustrator for a variety of publishers and has published numerous highly successful picture books and children's books.
