The second title in the Crummel & Fussel picture book series is about strangers and preconceptions, as the two young woolly pigs suddenly find themselves surrounded by a herd of unfamiliar creatures. At first they are nervous, then they try to fit in, and in the end find the best solution is to just be themselves.

CONTENT

When the two Mangalica pigs Crummel and Fussel wake up from their nap, they find themselves in the midst of a herd of other woolly creatures. Who are they? They must be dangerous! To avoid drawing attention to themselves, they act just like the other animals, eating grass and saying “baaaaah”. But when they discover a glorious, wet mud puddle they can’t resist the temptation: a pig has to do what a pig has to do! The sheep immediately recognize them and call them “filthy, disgusting pigs”. Crummel and Fussel are naturally outraged by those words, and an altercation ensues. The drama takes a gentle turn when the chief sheep gets sprayed with mud and the others find it funny – soon all the woolly animals are having a big mud party! Sometimes sheep can be pigs, too!
