### CONTENT

Rabbit Hibiscus and Maxi Mouse are best friends. But today, the two of them are having a massive fight! They are baking a cake, but they are annoyed the entire time, losing sight of the cake batter that is getting smaller and smaller because Tom Bear keeps pinching bits and pieces. In the end, they're left with a teeny-tiny cake! At least they're sharing it equally. And what were the two of them fighting about? Hmm, nobody quite knows, but then, it doesn't really matter. The main thing is that the two of them are best friends again!
