The successful "You decide" principle

ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

In the normal world, you're Ben, in the "King of Pirates" online game, you're Redbeard – a pirate with upper arms as thick as watermelons, a sharp sabre and a predilection for gold. Which adventure will you embark on next? Will you go down the raging rapids or venture into a treasure cave full of vampire bats? Or will you beam your avatar bodily into your room using a secret keyboard shortcut? Are you ready for an adventure full of dangers? In this book, you alone decide where your story goes from here!
