ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

You were planning to have a little snooze on the school bus, but that's not going to happen. Green-faced aliens hijack your bus, intending to fly you to their home planet! So what is your next step: will you jump off the moving bus like a stunt performer, will you call the police or will you throw yourself into an intergalactic adventure?
