CONTENT

Billy has only just left her past behind her when she meets Cedric. With his lopsided smile and dry sense of humour he moves something in her that she thought was lost. But Cedric has a rule – he never spends more than one night with a woman. He has suffered from bouts of depression since his childhood and although he is medicated and getting treatment, they still hit him. But Billy has baggage too, something she is keeping from Cedric. Book 1 of the intense New Adult Romance Series by SPIEGEL Bestseller Jennifer Benkau

THE AUTHOR

Jennifer Benkau writes books for adults, young adults and children. She has made a name for herself with the "Dark Canopy" series in particular, for which she was awarded a number of prizes, among them the 2013 DeLiA Literary Prize. In 2016, she and four other female writers founded the label INK REBELS. Fantasy is very close to her heart and she loves writing it with the help of loud music, chocolate and lots of coffee. She lives somewhere between Düsseldorf and Cologne with her husband, her four children, two dogs and a horse and is constantly looking for hidden portals into other worlds. Incidentally, that's also how she found a path to Lyaskye.
