ISBN	978-3-473-58601-1
June 2021	EUR 14.99
Age	14 years and older

Urban fantasy featuring shapeshifters, set on Vancouver Island.

### CONTENT

The attack on Winter Harbour has been warded off – at a high price: Nathan has been captured. Only fragmentary visions give Quinn hope that he is still alive. Even though the Council of Shifters doesn't trust her, they form a search party. But suddenly Quinn herself is in danger and is forced to realise that her fate and that of her biggest enemy are closely connected.

### THE AUTHOR

Stefanie Lasthaus has travelled all over the world: after studying journalism, she worked as a story writer and tour guide in Australia. Subsequently, projects in fields like text, film, tourism and online games took her to Switzerland, England and back to Germany. Today, she passionately writes adult and young adult novels, works as an editor and travels to countries that fascinate her in her books.
