CONTENT

Ryan's betrayal has broken Widney's heart. Furious, she and the Sun Warriors flee New York. In the meantime, Khonsu, the ancient Egyptian god of death, spreads fear and terror in the city. He could track Widney and her friends down at any time – and the only way to defeat him is to make their way into the headquarters of their enemies, the Sickle Bearers. To achieve this, Widney is risking more than just her own life.
